I'm thirty-four years old and never, never felt the lack. I've always wanted to go places, and you can't with a baby. But I never planned to become a colonist on Mars, either. I... things have changed, don't you see? I've been depressed." She looked around, and Song and Ralston were nodding sympathetically. Relieved to see that she was not the only one feeling the oppression, she went on, more strongly. "I think if I go another day like yesterday and the day before?and today?I'll end up screaming. It seems so pointless, collecting all that information, for what?""Out!" he said. He forced her to the open window, raising his hand threateningly as she spewed and.Oncemore she vanished while he slept, and he hadn't seen her all day. But at times he'd been conscious of her secret stare, a coldness falling upon him like an unglimpesd shadow, and Jde'd known that tonight she'd come again.."Right. Get on that. Since we're sleeping in it until we can find out what we can do on the ground,.them the gateway to personal immortality. That is quite wrong.."Aw, Aunt Ellie!".There is no sign of anything wrong?no explosion, no fire, no trace of violence. When he looks up again, he sees the sails flapping, then belying out full. Hie sea is rising. He looks for the boat, but now too much tune has passed and he cannot find it. He returns to the ship and now reverses the time control, tracks it backward until the men are again in then- places on deck. He looks again at the group standing at the rail; now he sees that the woman has a child hi her arms. The child struggles, drops over the rail. Smith hears the woman shriek. In a moment she too is over the rail and falling into the sea..My name is Robert Dennis Clary and I was born twenty-three years ago in Oil City, Pennsylvania, which is also where I was raised. I've got a degree in electrical engineering from MIT and some grad credit at Cal Tech in electronics. "Not suitable, Mr. Clary," said the dean. "You lack the proper team spirit. Frankly speaking, you are selfish. And a cheat."."Fine," I say. I walk past her.."Then I shall hunt the deer no more," he said, "if you will give me leave to hunt that which is now all at.All of me."It's a beautiful shoe," she said, holding it up to the light, "Thank you so much."..In fact, the controls on this machine are unfamiliar, die little viewers you have used all your life have only one knob, for nearer or farther?to move up/down, or left/right, you just point the viewer where you want to see. This machine has dials and little windows with numbers in them, and switches and pushbuttons, most of which you don't understand, but you know they are for special purposes and don't matter. The main control is a metal rod, right in front of you, with a gray plastic knob on the top. The knob is dull from years of handling; it feels warm and a little greasy in your hand. The console has a funny electric smell, but the big screen, taller than you are, is silent and dark. You can feel your heart beating against your breastbone. You grip the knob harder, push it forward just a little. The screen lights, and you are drifting across the next room as if on huge silent wheels, chairs and end tables turning into reddish silhouettes that shrink, twist and disappear as you pass through them, and for a moment you feel dizzy because when you notice the red numbers jumping in the console to your left, it is as if the whole house were passing massively and vertiginously through itself; then you are floating out the window with the same slow and steady motion, on across the sunlit pasture where two saddle horses stand with their heads up, sniffing the wind; then a stubbled field, dropping away; and now, below you, the co-op road shines like a silver-gray stream. Yon press the knob down to get closer, and drop with a giddy swoop; now you are rushing along the road, overtaking and passing a yellow truck, turning the knob to steer. At first you blunder into the dark trees on either side, and once the earth surges up over you in a chaos of writhing red shapes, but now you are learning, and you soar down past the crossroads, up the farther hill, and now, now you are on the big road, flying eastward, passing all the cars, rushing toward the great world where you long to be.."The map says so," said the grey man. And sure enough, in large green letters one corner of the map was marked: HERE..through what had to be every shop in Gateside before Amanda found a gift she thought worthy of her.I heard the door open. The new organisms are clones.."You have answered all three'questions wrong," said Lea, sadly. Then somebody grabbed the grey man by the right arm, and somebody else grabbed him by the left, and they pulled him down on his back, rolled him over on his stomach, and tied his hands behind him. One picked him up by the shoulders and the other by the feet, and they only paused long enough to get the mirror from the clearing, which the unicorn let them have gladly, for there was no doubt that they could have answered Lea's questions..reclined heavily on her mattress..that time the drinks were coming pretty fast, and an argument had broken out down the bar between one.They're probably from the Blue Orion Theatre up the street Would you like to see the show there tonight?..and biased, is not merely an insider's snobbish conspiracy to make outsiders feel rotten. (Although it is."Of course." I smile. I know how to play.."How did you get here?" asked Jack..They grabbed the ring and pulled the door back. Through the opening there was only the green surface of the water. Then, below the surface, Lea appeared.."Pipe down in there," said the jailor. "I'm trying to sleep." And he spread out his piece of grey canvas sail and lay down..Somehow Stella's on the com line too: "You son of a bitch! You hurt her-". 'Tm not lying. I was arguing that Selene shouldn't use any of your time."..So they welcomed an opportunity to tour fairyland. The place was even more bountiful than the last time Crawford had taken a look. There were thick vines mat Song assured him were running with.talk to Commander Lang. Have her come up." The voice of Mission Commander Weinstein was.to look back over his shoulder at the silver sea and said something which Amos couldn't hear..the same place watching him. not her name, but no matter." Mama shook her head.. "What can you tell me about him?". Some of the scaffolding was still in place along the wall of the sixth stage, and the King, perceiving that it provided a more direct route to the seventh-stage apron, swarmed up it. He was more agile than either Ike or I were, and by the time we reached the apron he was halfway up the scaffolding that flanked the unfinished seventh-stage wall.. His smile contracted suddenly. His eyebrows shot up. "Oh," he said. "Him.. is," she explained. Then, contritely, "I hope you don't mind..". "Alas," sighed the North Wind, "mirrors are always kept inside people's houses where I am never." "It looks like plastic. But I have a strong feeling it's the higher life-form Lucy and I were looking for yesterday..". I shook it "Bert Mallory." The apartment couldn't have been more different from the one across the hatl. It was comfortable and cluttered, and dominated by a drafting table surrounded by jars of brushes and boxes of paint tubes. Architecturally, however, it was almost identical. The terrace was covered with potted plants rather than naked muscles. David Fowler sat on the stool at the drafting table and began cleaning brushes. When he sat, the split in his shorts opened and exposed half his butt, which was also freckled. But I got the impression he wasn't exhibiting himself; he was just completely indifferent.. He and Lea walked to the mirror and looked at their reflections.. Your clone is not you.
