"The handler at the village terminal will route them through. You pick them up by the elevator in your basement. What's your number there?".For the first time a hint of anger flashed across Sterm's face. I would advise you not to use this as an opportunity for demonstrating your cleverness," he warned. He allowed himself a moment to calm down. Then he resumed speaking more slowly. "Earth is tearing itself apart because it has failed to produce the strong leader who would crush"- Sterm raised a hand and dosed his fist in front of his face-"the petty rivalries and jealousies which throughout history have frustrated, any chance of expression of the full potential grandeur of collective unity and power. Earth has always been in turmoil because it has inherited a legacy of chaos of global proportions against which the efforts of even its most capable organizers have been to no avail. Is that the future that you would wish upon Chiron?.was solely to blame for what she had become. The anger that she'd once directed at others had been.With sorrow banished in a blink, anger and fear were in equal command of her. "You don't own me!".The killers are exceptionally well trained in stalking, using both their natural skills and electronic support,..Jean spun round and ran back to the elevator. Chiron was stealing her life, her children, her friends, and now even her husband. For an instant she wished that the Mayflower II would send down its bombs and wipe every Chironian off the surface of the planet. Then they would be able to begin again, cleanly and decently. Ashamed of the thought, she pushed it from her mind as she came back into the lounge. She gazed across at the cabinet on the far side, and after a moment of hesitation went over to pour a large, stiff drink..banking and brokerage. Matte-satin skin. Features that would, if carved in stone, earn their

sculptor the remarkable. The crudeness of what she heard lulled to fire a blush in her. If she harbored anger, she hid it. Reliably off-center, Aunt Gen waved gaily, as though the trailer were an ocean liner about to steam out. "What about Veronica?" she whispered. The hand over his mouth loosened a fraction after the door was closed. "Gawd! Wot's goin' on? Who-?" Somebody jabbed him in the ribs. He shut up. Colman grinned. "You're right, but you're supposed to pretend you don't know about that. I was thinking of something else--recognition. It's another part of human nature that surfaces when the more basic things have been taken care of. And when it does, it gets to be just as powerful as the rest. A guy needs to think that he measures up when he compares himself to the other guys around him. He needs to be recognized for what's good about him and to stand out. Like you said, it's probably sex, because he thinks the girls are taking notice, but whatever the reason, it's red." Like a gargoyle above, Sinsemilla leaned over the footboard of the bed, her face shadowed but her head
