He wouldn't allow.Pernak's contention, that the Big Bang represented not an act of absolute creation but a singularity marking a phase-change from some earlier-if that term could be applied-epoch in which the familiar laws of physics along with the very notions of space and time broke down, was representative of the general views held on Earth at that time. Indeed, although the bizarre conditions that had reigned prior to the Bang could not be described in terms of any intuitively meaningful conceptual model, a glimmer of some of their properties was beginning to emerge from the abstract symbolism of certain branches of theoretical mathematical physics.. "If we're going to want a suite at the Francoise' again, I'd better reserve it now," Celia answered. "Any idea how many people we're talking about?". "Ghosts in your head," Bernard said. "Come on, Jerry, you're a scientist. Where's your evidence? Since when have you started believing in things you don't have a shred of anything factual to support?".
