The first piece is at the bottom of a luminous pool in the center. But it is so grey there that the grey man would blend completely in with the scenery and never get out again. Up this one is a mountain so high that the North Wind lives in a cave there. The second piece of the mirror is on the highest peak of that mountain. It is so windy there, and the grey man is so thin, he would be blown away before he was halfway to the top. Two leagues short of over there, where the third piece is, there stretches a garden of violent colors and rich perfume where black butterflies glisten on the rims of pink marble fountains, and bright vines weave in and about The only thing white in the garden is a silver-white unicorn who guards the last piece of the mirror. Perhaps the grey man could get that piece himself, but he will not want to, I know, for lots of bright colors give him a headache." "Loosely translated," said Lea, "One's duty is often a difficult thing to do with the cheerfulness, good nature, and diligence that others expect of us; nevertheless. . .". Unfortunately, launching twelve thousand torpedoes simultaneously put a serious overload on our computer system. Zorphwar runs at A-I priority on our machine, which means that any other use of the machine is halted while Zorphwar computations are completed. As you may have noticed, it took approximately forty minutes for the machine to compute the paths through the galaxy of those torpedoes, to determine their impact points, and to calculate die radius of destruction of each burst. Normally such overloads are handled by adjusting the work load in the Computer Center. However, at three thirty yesterday, the Center was in the midst of printing the paychecks for the entire Computer Products Division. The little delay our game occasioned upset the very tight schedule for that operation. As a result, all checks from R through Z were not printed on time and failed to make the courier flight to the West Coast That is the reason your paycheck was not delivered to you today. Regrettably, it is also the reason that Division President Tailing and Corporation Comptroller Westland were not paid this week. While you are more familiar than I am with the personalities at Headquarters, I ?aspect that both of these gentlemen like to receive their paychecks. I trust that, if any investigations come out of this little incident, you will do your best to emphasize the fact that the Zorphwar program has already been modified to permit the launching of no more than tea doomsday torpedoes in one attack. Thus, this particular problem on

never occur again..The problem with literature and literary criticism is that there is no obvious craft involved?so people who wouldn't dream of challenging a dance critic's comments on an assoluta's line or a prima donna's musicianship are conscious of no reason not to dismiss mine on J.
