"That's a gamble we'll have to take," Sirocco said. "Stern will hardly order them to fire on the rest of the ship if he's in it." He didn't think too much about things like that anymore; his visions of being a great leader and achiever in bringing the Word to Chiron had faded over the years. And instead . . . what? Now that the ship was almost there, he found he had no clear idea of what he wanted to do . . . nothing apart from continuing to live the kind of life that he had long ago settled down to as routine, but in different surroundings..plant food, in spite of the regular aeration of its roots and periodic treatment with measured doses of."It certainly puts a new light on things," Lechat conceded. He sat back again, looked from one to the other, and spread his hands resignedly. "So am I to take it that I shouldn't assume your Support in the matter I talked about earlier?".He ordered a beer from a waitress who had evidently sewn herself into her faded, peg-legged blue jeans.we'll get there while the action is still hot. The only reason we're renting next door for a week is because.Shirley turned to look at Ci. "Say, wouldn't he be great to have at our next party? I love things like that." She looked at Driscoll again. "When are you coming down to Chiron?". "Why would you think so?". "Healed?" Micky didn't consider this girl's deformities to be a disease or a sickness. In fact, Leilani's porch, brick steps lead up to a weathered plank floor. He creaks and scrapes to the door, which opens.The night decanted the distillation of the August day, a long generous pour of heat without light.."Certainly not wit"..the police.."He's just playing on emotion, Jean. I had it on down here for a few minutes but couldn't stand it. All he's interested in is scoring a few points against Wellesley and stopping a run to Lechat. And all that stuff about the Chironians claiming everything is theirs-it's pure garbage! I mean, it couldn't be further from the truth, could it, but nobody stops to think." He frowned to himself for a moment. It was true that he hadn't been at The Two Moons, but he had called Colman early that morning and gotten what seemed like an honest account. But with Jean acting the way she was, he didn't want to mention that. "Anyhow, the facts about the shooting are on record," he said. "All you have to do is ask Jeeves.".Better move.."Like what?" Nanook asked..Colman and Hanlon frowned at each other. Obviously they weren't going to get anywhere without being more direct. Hanlon wiped his palms on his hips. "We, ah... we don't mean to be nosy or anything, but out of curiosity,.it. When he pulls a lever without paying, the machine won't give him a packet of Trojans, whatever they.Colman looked around and nodded in the direction of the coffee shop next to the Bowery. "Let's not stand around here all night," he said. "Come on inside. Could you use a coffee?".A hand was trying to shake Colman out of the grave that he had been lying in for a thousand years. "Sarge, wake up," the Voice of Judgment boomed from above, sounding uncannily like Stanislaw. "Hanlon wants you over at the main gate..".mother anywhere..".Jarvis appeared Suddenly in the doorway beside Chaux. "Just think, all that work for nothing. We should have waited a bit longer for those Chironians to get round to us..".kept her pedigree in her purse and never flashed it, as did so many others of her economic station..Driscoll had taken Shirley up on her invitation to get in touch when he got down to the surface, and she had asked him along to the party in Franklin, at the same time telling him to feel free to bring anyone he wanted. So Driscoll had invited Colman, Swiley, Maddock, and Stanislaw, who among them had persuaded Sirocco to come too, and Sirocco had suggested bringing some of the girls from the Mayflower II. Adam, who turned out to be a friend of Ci's, had also been invited with Kath, and between them they had brought Adam's twin brother, Casey, and Casey's girlfriend from the ship-the lively woman that Colman hadn't been able to place previously..".What an impressive name," Geneva said. "Like a Supreme Court justice or a senator, or someone." "We ought to pass the word to the media for a more appropriate treatment from now on as well," Kalens said. "Perhaps playing up things like Chironian stubbornness and irresponsibility would harden up the public image a bit... just in case. We could get them to add a mention or two of signs that the Chironians might have armed themselves and the need to take precautions. It could always be dismissed later as overzealous reporting. "He moved out into the aisle, where the floor had folded itself into a steep staircase to facilitate fore-and-aft movement, and climbed through into the side-exiting lock chamber with Colman and Hanlon behind him while Red and Blue sections formed up in the aisles immediately to the rear. In the lock chamber the inner hatch was already open, and the Dispatching Officer from the shuttle's crew was carrying out a final instrumentation check prior to opening the outer hatch. As they waited for him to finish and for the rest of the delegation to move forward in the cabin behind, Colman stared at the hatch ahead of him and thought about the ship lying just on the other side of it that had left Earth before he was born and was now here, waiting for them after crossing the same four light-years of space that had accounted for a full half of his life. After the years of speculations, all the questions about the Chironians were now within minutes of being answered. The descent from the Mayflower II had raised Colman's curiosity to a high pitch because of what he had seen on the screen. For despite all the jokes and the popular wisdom, one thing he was certain of was that the engineering and structural modifications that he had observed on the outside of the Kuan-yin had not been made by irresponsible, overgrown adolescents.."This is private.,' he murmured in a voice that was low but menacing.
