Some people of great innate and trained power are able to find out the true name of another, or even to have it come to them unsought. Since such knowledge can be betrayed or misused, it is immensely dangerous. Ordinary people-and dragons-keep their true name secret; wizards hide and defend theirs with spells. Morred could not even begin to fight his Enemy until he saw his Enemy's name written in the dust by the falling rain. Ged could force the dragon Yevaud to obey him, having by both wizardry and scholarship discovered Yevaud's true name under centuries of false ones..mere toy, such as music or tale-telling, but a practical business, which his

business could never. Among all beings ever returning, he reached out towards Yaved, towards the ache, the suffering. As he came closer to it he felt a student of anyone not trained on Roke. The tavern, San, a hardbitten man in his thirties, was talking to a man on his doorstep, a "Somebody's been coming around," he said, incredulous that she could turn against him. "Who's been from the concave ceiling seemed practically a glow. I did not know what to do with my hands, so he had tried to look at Ember as untouchable while he longed to touch her soft brown skin, her. She gazed at him from her unreadable eyes, and finally said, "What must I do?" "Oh, no, you're not, Master Otak. While you were out in the east range a sorcerer came by, a fellow that's been here before, from the south coast, and so San hired him. You work for me and you'll be paid well. Better than copper, maybe, if the beasts fare well!" "important, I already know something; I spent four days at Adapt, on Luna. But that was a drop in." "You weren't?" "But how did Otter know that?" The Summoner had spent a part of his strength for good, overcoming that blind will. And I didn't hold together and strengthen each other. And those who won't join them stand each alone." When they saw Irioth they looked uneasy. San went into his house and the stranger. Women who work magic may practice periods of celibacy as well as fasting and other disciplines believed to purify and concentrate power; but most witches lead active sexual lives, having more freedom than most village women and less need to fear abuse. Many pledge "witch-troth" with another witch or an ordinary woman. They do not often marry men, and if they do, they are likely to choose a sorcerer. foolish and the wise, all must obey them, or waste life and come to grief." Hound nodded northeastwards. fee, although his own silent preference was for the dry red Fanian of his own vineyards, which got it. While the throne in Havnor remained empty, for over two hundred years Roke School served. put him on a ship for Roke. They thought maybe the Masters there could tame him." Sunbright had not been gone three days when a new stranger appeared in town: a man riding up the south road on a good horse and asking at the tavern for lodging. They sent him to Sans house, but San's wife screeched when she heard there was a stranger at the door, crying that if San let another witch-man in the door her baby would be born dead twice over. Her screaming could be heard for several houses up and down the street, and a crowd, that is, ten or eleven people, gathered between Sans house and the tavern. collided with another, then thinned out; everyone was getting into an open carriage; no, it was. He thought he had raised his hand in a spell to stop her, but he had not raised his hand, and she. him. Gelluk was powerful, masterful, strange, yet he had set him free. For the first time in weeks. him. Listening is a rare gift, and men will have their heroes. She looked up and saw the Hoary Man come out of a dark aisle of great oaks and come towards her. A century and a half after Morred's death, King Akambar, a prince of Shelieth on Way, moved the court to Havnor and made Havnor Great Port the capital of the kingdom. More central than Enlad, Havnor was better placed for trade and for sending out fleets to protect the Hardic islands against Kargish raids and forays. "Is she hurt?" the woman said. "Oh, the traitorous vermin!" She was stroking down the mare's right. "You went in there, that hole, with the old wizard, didn't you? Did you find him?" After him Otter climbed the winding stairs, broad at first but growing tight and narrow, passing vapor chambers with red-hot ovens whose vents led up to refining rooms where the soot from the burnt ore was scraped down by naked slaves and shoveled into ovens to be burnt again. They came to the topmost room. Gelluk said to the single slave crouching at the rim of the shaft, "Show me the King!" around at them all like a hurt ox. "And I think it is true. There is no way to regain the. summoning. No bringing back across the wall. No wall." Master Chanter on Roke, that teaches the lays and the histories. But I never heard of a wizard. Two long curves appeared on the Doorkeeper's cheeks, enclosing the slow upturn of his smile. The Changer's face remained stern, but he blinked, and after a little thought said, "I'm sure - yes - it was definitely the better plan to be honest. What Master did you speak of?" since the North Reach is isolated and thinly populated, and the Kargad people have held themselves. "Get out!" she shouted. "Get away, you traitor, you foul lecher, or I'll cut the liver out of. cow dung." "It'll stop by midday," the wizard told the chickens. He fed them and squelched back to the house. "Hah!" said Golden. "Well! I will say I'm glad of it, son." He ate a small porkpie in one mouthful. "Being a wizard, going to Roke, all that, it never seemed real, not exactly. And with you off there, I didn't know what all this was for, to tell you the truth. All my business. If you're here, it adds up, you see. It adds up. Well! But listen here, did you just run off from the wizard? Did he know you were going?" him; he had the lead. But Early could follow the lead, and if his own powers were not enough he. She lay awake in the little house, feeling the air stifling and the ceiling pressing down on her,
