Some of the systems are computer-driven; give it the right program and it'll fly itself, hi space." She looked longingly at the controls, and Crawford realized that, like Weinstein, she didn't relish giving up the fun of flying to boss a gang of explorers. She was a former test pilot, and above all things she loved flying. She patted an array of hand controls on her right side. There were more like them on the left.. Science fiction is a small country which for years has maintained a protective standards-tariff to encourage native manufactures. Many readers are, in fact, unacquainted with the general canon of English literature or the standards of criticism outside our own small field. Add to this the defensiveness so many people feel about high culture and you get the wholesale inflation of reputations James Blish lambaste in The Issue at Hand. Like him, I believe that somebody has to stop handing out stars and kisses: If "great writer" means Charles Dickens or Virginia Woolf (not to mention William Shakespeare), then it does not mean C. S. Lewis or J. R. R. Tolkien, about whom the most generous consensus of mainstream critical opinion is that they are good, interesting, minor authors. is a form of shorthand. When Byline rewrites story. In the audience was my good friend of three decades? the well-known science fiction writer, boo vivant, and wit, Randall Garrett. Out of the corner of my eye, I noticed a piece of paper placed on the podium as I talked about cloning. I glanced at the paper without quite halting my speech (not easy, but it can be done, given the experience of three decades of public speaking) and saw two things at once. First, it was one of Randall's superlative pieces of satiric verse, honest-to-god conversation, spontaneous, unstructured, and all his own. In the cottage Brother Hart cried out in his sleep, a swift sharp cry. His hand went to his side and, suddenly, under his heart appeared a thin red line like a knife's slash that bled for a moment. Hinda caught his hand up in hers and at the sight of the blood grew pale. It was the second time she had seen Brother Hart bleed. "I'm trying to balance." I juggle slides. "Any better?" the fear. I tremble all over. You are right. I should sleep. I've known the question would come, though I hadn't known who'd articulate it? her or me. My hesitation stretches much longer in my head than it does in realtime. So much passion, Rob. . . . It seems to build. Would you kill for me? "Yes," I say.. forever, but like Matt said, we'd better plan as if we were. Comment?". Prismatic. "When he gets it," Michelle amended, let her stare wide-eyed at constructions like the Tree House, whose rooms unfolded like flowers along. Again those black and burning eyes of his seemed to absorb the Project from its bottommost brick to its topmost one. There was a purposefulness about his mien that had been lacking on his previous visit; a fierce, almost an awesome, determination that made him seem larger than life. His black eyebrows were like the wings of a hawk; his lips were set like bitumen.
