"The best thing would be to blow that door with a salvo of AP missiles before we move, and hope they jam it open," he murmured to Swyley, who was lying next to him, examining the far bulkhead through an intensifier. "Then maybe drench the lock with incendiary and go in under smoke." "You could be right, but that's long-term," Lechat replied. "I'm more worried about what might happen in the shorter term. I need help to do something about it." Some people present hadn't been there five years before but had arrived with the EAF starship, and others with the European mission that had reached Alpha Centauri a year later. They had called themselves Chinese, Indians, Japanese, and Indonesians then, or Russian, German, French, Spaniard, Italian. . . but now they were all simply Chironians. They too had come to see that the old society could never have transformed itself into a culture that was appropriate to high technology, limitless resources, and universal abundance; it had inherited too much that was self-destructive from its past. The new society, could only have risen in the way that it had-isolated by light-years of space and by its unique beginnings from the mechanisms that had perpetuated the creeds of hatred, prejudice, greed, intimidation, domination, and unreason from generation to generation. "They never had any parents or peers for that kind of stuff to rub off from," Pernak agreed. "Classes, echelons, black, white, Soviet, Chinese ... it's all the same to them. They don't care. It's what you are that matters." Sooner rather than later, they are likely to find the spoor they seek. Then they will pick up speed. She remembered an old short story that she'd read, "The Lady or the Tiger," in which a man was forced. locked. He rattles it up and down, up and down, insistently, to no effect. flourish. Juanita saw the expressions on Bernard's and lay's faces. "Are you claiming that we're any more violent or barbaric than your societies? We've never had a war. We've never dropped bombs on-houses full of people who had nothing to do with the argument. We've never burned, maimed, blinded, and blown arms and legs off of people who just wanted to live their lives and who never harmed anybody. We've never shot anyone who didn't ask for it. Can you say the same? Okay, so the system's not perfect. Is yours?". hope other than his wits and courage. Noah smiled. This was one reason he liked her. Class and style without pretension. "Exactly." then she poured. of Planets, and Leilani waving goodbye with an American flag in one hand and a Fourth of July sparkler. "Have you seen the news this evening?" Jean asked. "Three of Padawski's gang split off and turned themselves in, but the troops found two more bodies over there- Chironians. How long do you think this can go on before they start getting back at us here in Canaveral?". country, to the sites of famous close encounters, from Roswell, New Mexico, to Phlegm Falls, Iowa. "I don't have any idea what you're talking around," Micky lied. "That's for you to tell me . . . when you're." "Down!" Maddock yelled, and all three hurled themselves sideways to get out of the line of fire as a smoke grenade launched from around a corner some distance behind them exploded at the entrance. Fire from the entranceway raked the area as the D Company squad broke cover and rushed forward through the smoke, hut the first of them was still twenty feet away when the steel door slammed down and alarms began sounding throughout the Government Center. - The loud drumming of fear with which he has lived for the past twenty-four hours has subsided to a faint. A few seconds later Jay arrived. He had a brand-new-looking backpack slung across one shoulder and was carrying a framed painting of an icy, mountainous landscape with a background of stormy sky under one arm. His expression was vaguely perplexed. Continuing to snarl soundlessly at the mirror, the stranger employs a fingernail to pick between two teeth. earlier. He isn't sure what it means, but it got him out of trouble before, so he says, "Sir, I'm not quite." How do you know he'll go along with it?" Barbara asked. "The potential's there." Lechat nodded. "That was already understood," he replied grimly. Even in the darkest moments, light exists if you have the faith to see it. Fear is a poison produced by the. Leilani. Sirocco smiled tiredly. "You're excused from taking off your boots," he murmured. Jay decided' he'd had enough, excused himself with a mumble, and took his book into the lounge. His father was sprawled in an armchair, talking politics with Jerry Pernak, a physicist friend who had dropped by an hour or so earlier. Politics was another mystery that Jay assumed would mean something one day. He listens. He himself is not a hunter, however, so he doesn't know what exactly to listen for. The action. "You'd better believe it," Lechat promised. with a primitive need that she didn't dare contemplate. however, were the

bashing of the side window, Noah's eruption from the Chevy, and the gleeful capering. lot like her.". The planet had evolved a variety of life-forms, some of which approximated in appearance and behavior examples of terrestrial flora and fauna, and some of which did not. Although several species were groping in the general direction of the path taken by the hominids of Earth two million years previously, a truly intelligent, linguistic, tool-using culture had not yet emerged.. "I only live at Port Norday during the week," Kath said. "I've got a place in Franklin as well. It's not far from here at all.". This exhausted silence was the closest thing that Noah knew to peace. A few times in the past, he had in. "And now I have one final task to perform," he said. He paused again, and the hall grew curious and attentive, sensing that something unexpected was about to take place, "May I remind the assembly that the declaration of a state of emergency has never been revoked, and that therefore, by the processes that we are still formally pledged to uphold, that emergency condition continues to remain in force, along with its attendant suspension of Congress and the vesting of all congressional authority in me." Puzzled expressions greeted his words, and a ripple of surprised murmurings ran around the hall. "The office of Deputy Mission Director is vacant," Wellesley reminded them. "Accordingly, by the full powers of Congress at present vested solely in me as Mission Director, I hereby nominate, second, and appoint Paul Lechat as Deputy Director, 'effective as of now.'" He turned and looked along the dais toward where Lechat was sitting, looking not, a little bewildered. "Congratulations, Paul. And now would you kindly take your rightful place." He gestured at the empty chair next to him. Lechat rose up, moved along behind the intervening places, and sat down in the Deputy Director's seat, all the time shaking his head at the other members to every particle of toxic substances and then woke up one morning to discover that she wasn't Leilani. THE CHIRONIANS' HANDLING of the Padawski incident and the absence of any organized reaction among them to the initial Terran hysteria led to a widespread inclination among the Terrans privately to absolve the Chironians of blame over the bombings, but the Terrans avoided thinking about the obvious question which that implied. The aftertaste of guilt and not a little shame left in many mouths alienated the Terran extremists from the majority, and relations with the Chironians quickly returned to normal. Nevertheless, the wheels that had been set in motion by the affair continued to turn regardless, and five days later the Territory of Phoenix was declared to exist.. "Why, you are indeed a gentleman of means," says Donella. "You just put it away for now, and pay the. Marcia Quarrey, the Director of Commerce and Economic Policy, didn't look too happy at the suggestion as she sipped her cocktail. "Obviously that would be possible," she said, setting down her glass. "But would it serve any useful purpose? The contingency plans were made to allow for the possibility of opposition. Well, there hasn't been any opposition. What's the sense in throwing good business and growth prospects away by provoking hostilities needlessly? We can acquire Franklin simply by walking in. We don't have to make a demonstration out of it." "It is from my perspective, ? said Leilani. know who these brash intruders are, or makes a clatter of pots that might draw attention, probably. Jay began speaking earnestly and in a low voice. "My father asked me to find you. It's urgent. One of the people the SDs are looking for is at the house. Stern has arrested the whole of Congress, and we're pretty sure he's going to issue an ultimatum with the Military. If they do the Chironians will take out the whole ship. Pa wants to go with our guy and talk to Kath to see if they can do something, but they need help getting out of Phoenix." Klunk way was to ingratiate, to amuse, to charm, but while you could expect a high degree of success. would be crumpled wrappers from weird and unknown brands of candy discarded by traveling trolls or. "They destroyed all the pictures of him. Because when he comes back with the aliens, he'll be completely. Noah finished his beer. "Guys like you and the congressman used to hide behind Jesus. I just want to hear about someone who lived there and came from there. Where did you come from?'. the house across the street and being greeted at the door by his lover. If Noah reached for the camera,. Wellesley and the Congress had tried to perpetuate the same injustices by eclipsing him with Borftein because he in4p't graduated from the right places or possessed the right credentials. They had tried to fob him off with the command of what they had seen as a proficient but small and unimportant corps of specialists. They had all paid too. Now they all knew who he was and where they stood. He had no regrets about Ramisson's death; it underlined the lesson more forcefully than any words could have done. He was only sorry he hadn't made a cleaner sweep by shooting them all.. Instead, he steers his rig into an immense parking lot, apparently intending to stop either for dinner or a.
