The past is for losers. No, wait, humility is for losers. "The past is the teat that feeds those too weak to face the future." Yes, that was the line from Zedd that Junior had stitched on a needlepoint pillow..After nudging the door shut with his shoulder, Barty carried the sodas out of the kitchen and forward along the hall. Pausing at the livingroom archway, he said, "Uncle Jacob?".If Vanadium appeared among these men, Junior would not only puke out the contents of his stomach, but also would disgorge his internal organs, every last one of them, and spew up his bones, too, until he emptied out everything within his skin..Celestina was hardly more than a child herself, pretending to have the strong shoulders and the breadth of experience to bear this burden. She felt half

crushed. Throughout the evening, Barty and Angel-sitting side by side and across the table from Paul-listened to the adults at times and occasionally joined in the larger conversation, but primarily they talked between themselves. When the kids' heads weren't together conspiratorially, Paul could hear their chatter, and depending on what else was being discussed around the table, he sometimes tuned in to it. He picked up on the word rhinoceros, tuned in, tuned out, but a couple minutes later, he dialed back in when he realized that Celestina, sitting two places farther along the table from him, had risen from her chair and was staring in amazement at the kids. The paramedic put aside the needle, having used it, and grabbed the paddles of a. "I got to admit," Nolly said, "I'm surprised these little pranks have rattled him so deeply." Her mother and father still resided in a world where Phimie was alive. Bringing them from that old reality to this new one would be the second-hardest thing Celestina had ever done. MONDAY MORNING, January 17, Agnes's lawyer, Vinnie Lincoln, came to the house with Joey's will and other papers requiring attention. For an instant, she appeared to be frowning. Then he realized this couldn't be a frown. It must be a smoldering look of desire. So runs the water away, away. Barty's reading and writing skills appeared to be related to his talent for math, as well. To him, language was first phonics, a sort of music that symbolized objects and ideas, and this music was then translated into written syllables using the alphabet-which he saw as a system of math employing twenty-six digits instead of ten. "64 just a little bit ago," the girl said. "I was sitting on the porch, having a Popsicle, and I just figured it out." He'd been invited to a Christmas Eve celebration with a satanic theme, but he hadn't intended to go. The party was not being thrown by real Satanists, which might have been interesting, but by a group of young artists, all nonbelievers, who shared a wry sense of humor. Perplexed by their peculiar behavior, even slightly unnerved, Tom answered Maria's question. "I'm afraid there's nothing else I can do, nothing more of a fantastic nature." In spite of her nature, Agnes could not find forgiveness in her heart this time. Words of absolution clotted in her throat. Her bitterness dismayed her, but she could not deny it. The masterpiece that Junior purchased was small, a sixteen-inch-square canvas, but it cost twenty-seven hundred dollars. The entire picture-titled The Cancer Lurks Unseen, Version 1-was flat black, except for a small gnarled mass, bile-green and pus-yellow, in the upper-right quadrant. Worth every penny. His breath was warm against her throat: "And I want to go back home to see some faces." He was simplifying and combining concepts, but he knew no other way to quickly give them a feel for the wonder, the enigma, the sheer spookiness of the world revealed by quantum mechanics. Sunday, Junior hid out from Scamp, using his Ansaphone to screen her calls, and worked with such astonishing focus on his needlepoint pillows that he forgot to go to bed that night. He fell asleep over his needles at ten o'clock Monday morning. Agnes at last relented. "Someday, you're going to have to learn to relax, Maria." Indeed, Junior suspected that they might be here at Vanadium's urging. The cop would be interested in determining how avaricious the mourning husband would prove to be when presented with the opportunity to turn his wife's cold flesh into cash. Phimie's speech had been slurred later, as well, immediately following the birth of the baby, when she had struggled to convey her desire to name her daughter Angel. He needed to keep moving, conduct the search, find the watch, and get the hell out of here, but he couldn't stop staring at the musician. Something about the cadaver made him nervous-aside from the fact that it was dead and disgusting and, if he was caught with it, a one-way ticket to the gas chamber. Moving out of the doorway, into the bedroom, he said, "What book would that be?" An elderly Negro gentleman answered the door. His hair was such a pure white that in contrast to his plum-dark skin, it appeared to glow like a nimbus around his head. With his equally radiant goatee, his kindly features, and his compelling black eyes, he seemed to have stepped out of a movie about a jazz musician who, having died, was on earth once more as someone's angelic guardian. Celestina White was the center of attention, always surrounded by champagne-swilling, canape-gobbling bourgeoisie who would have been shopping for paintings on velvet if they'd had less money. Friday brought Scamp again, all of Scamp, all day, every way, wall-to-wall Scamp, so on Saturday he hadn't enough energy to do more than shower.
