That is amongst positive results of your readers can be influenced by mcdougal out of each concept coded on your own book. And that ebook is had to read through detail with detail, it could be consequently ideal for your entire life and you. ? ? ? ? And dromedaries, too, of price and goodly steeds and swift Of many a noble breed, yet found no favour in my eyne! ". ? ? ? ? How often,

too, hath gladness come to light Whence nought but dole thou didst anticipate! Presently, the king [of the city] was minded to go forth to his garden, (206) a-pleasuring, and bade the cook forego him thither and appoint in his stead one who should dress meat for the king, so that, when he returned, he might find it ready. So the cook fell a-considering of whom he should appoint and was bewildered concerning his affair. As he was on this wise, the old man came to him and seeing him perplexed how he should do, said to him, 'Tell me what is in thy mind; belike, I may avail to relieve thee.' So he acquainted him with the king's wishes and he said, 'Have no care for this, but leave me one of the serving-men and go thou in peace and surety, for I will suffice thee of this.' So the cook departed with the king, after he had brought the old man what he needed and left him a man of the guards. When the king heard this story, he said in himself, "Verily, had I given ear to the sayings of my courtiers and inclined to the idle prate [of those who counselled me] in the matter of [the slaying of] my vizier, I had repented to the uttermost of repentance, but praised be God, who hath disposed me to mansuetude and long-suffering and hath endowed me with patience!" Then he turned to the vizier and bade him return to his dwelling and [dismissed] those who were present, as of wont. THE FIFTEENTH OFFICER'S STORY. So he carried her to a place wherein was running water and setting her down on the ground, left her and went away, marvelling at her. After he left her, he found his camels, by her blessing, and when he returned, King Kisra asked him, 'Hast thou found the camels?' [Yes, answered he] and acquainted him with the affair of the damsel and set out to him her beauty and grace; whereupon the king's heart clave to her and he mounted with a few men and betook himself to that place, where he found the damsel and was amazed at her, for that he saw her overpassing the description wherewith the camel-driver had described her to him. So he accosted her and said to her, 'I am King Kisra, greatest of the kings. Wilt thou not have me to husband?' Quoth she, 'What wilt thou do with me, O king, and I a woman abandoned in the desert?' And he answered, saying, 'Needs must this be, and if thou wilt not consent to me, I will take up my sojourn here and devote myself to God's service and thine and worship Him with thee.' n. The Man and his Wilful Wife dccccix. THE FOURTH OFFICER'S STORY. 163. Abdallah the Fisherman and Abdallah the Merman dccccxi. Say, by the lightnings of thy teeth and thy soul's pure desire, iii. 19. Then I arose and fared on a day and a night, till I came to the house of my master, who saw me pale and disfeatured for fear and hunger. He rejoiced in my return and said to me, 'By Allah, thou hast made my heart ache on thine account; for I went and finding the tree torn up by the roots, doubted not but the elephants had destroyed thee. Tell me then how it was with thee.' So I told him what had befallen me and he marvelled exceedingly and rejoiced, saying, 'Knowst thou where this hill is?' 'Yes, O my lord,' answered I. So he took me up with him on an elephant and we rode till we came to the elephants' burial-place. As for King Shehriyar, he marvelled at Shehrazad with the utmost wonder and drew her near to his heart, of his much love for her; and she was magnified in his eyes and he said in himself, "By Allah, the like of this woman is not deserving of slaughter, for indeed the time affordeth not her like. By Allah, I have been heedless of mine affair, and had not God overcome me with His mercy and put this woman at my service, so she might adduce to me manifest instances and truthful cases and goodly admonitions and edifying traits, such as should restore me to the [right] road, [I had come to perdition!]. Wherefore to God be the praise for this and I beseech Him to make my end with her like unto that of the vizier and Shah Bekht." Then sleep overcame the king and glory be unto Him who sleepeth not! ? ? ? ? ? His sides the tamarisk's slenderness deride, so lithe they are, Whence for conceit in his own charms still drunken doth he fare.. ? ? ? ? ? Whenas En Nebhan strove to win my grace, himself to me With camel- loads he did commend of musk and camphor white. End of vol. II. Officer's Story, The First, ii. 122. Idiot and the Sharper, The, i. 298. Sitt el Milah, Nouredin Ali of Damascus and, iii. 3. As an instance of the extreme looseness with which the book was edited, I may observe that the first four Vols. were published without tables of contents, which were afterwards appended en bloc to the fifth Volume. The state of corruption and incoherence in which the printed Text was placed before the public by the two learned Editors, who were responsible for its production, is such as might well drive a translator to despair: the uncorrected errors of the press would alone fill a volume and the verse especially is so corrupt that one of the most laborious of English Arabic scholars pronounced its translation a hopeless task. I have not, however, in any single instance, allowed myself to be discouraged by the difficulties presented by the condition of the text, but have, to the best of my ability, rendered into English, without abridgment or retrenchment, the whole of the tales, prose and verse, contained in the Breslau Edition, which are not found in those of Calcutta (1839-42) and Boulac. In this somewhat ungrateful task, I have again had the cordial assistance of Captain Burton, who has (as in the case of my "Book of the Thousand Nights and One Night") been kind enough to look over the proofs of my translation and to whom I beg once more to tender my warmest thanks. When the youth had made an end of his story, the king's anger subsided a little and he said, "Restore him to the prison, for the day draweth to an end, and tomorrow we will took into his affair." Therewithal Queen Es Shuhba rejoiced and all who were present rejoiced also and admired her speech and fell to kissing her; and when she had made an end of her song, Queen Kemeriyeh said to her, 'O my sister, ere thou go to thy palace, I would fain bring thee to look upon El Anca, daughter of Behram Gour, whom El Anca, daughter of the wind, carried off, and her beauty; for that there is not her match on the face of the earth.' And Queen Es Shuhba said, 'O Kemeriyeh, I [also] have a mind to see her.' Quoth Kemeriyeh, 'I saw her three years ago; but my sister Wekhimeh seeth her at all times, for that she is near unto her, and she saith that there is not in the world a fairer than she. Indeed, this Queen El Anca is become a byword for loveliness and proverbs are made upon her beauty and grace' And Wekhimeh said, 'By the mighty inscription [on the seal-ring of Solomon], there is not her like in the world!' Then said Queen Es Shuhba, 'If it needs must be and the affair is as ye say, I will take Tuhfeh and go with her [to El Anca], so she may see her.' ? ? ? ? ? Still by your ruined camp a dweller I abide; Ne'er will I change nor e'er shall distance us divide. 118. The Merchant of Cairo and the Favourite of the Khalif El Mamoun El Hikim bi Amrillak M. ? ? ? ? ? e. The Fifth Voyage of Sindbad the Sailor dlvi. Presently, in came the draper, at the hour of evening prayer, and sitting down in the place where the old woman had prayed, looked about him and espied the turban. He knew it [for that which he had that day sold to the young man] and misdoubted of the case, wherefore anger appeared in his face and he was wroth with his wife and reviled her and abode his day and his night, without speaking to her, what while she knew not the cause of his anger. Then she looked and seeing the turban-cloth before him and noting the traces of burning thereon, understood that his anger was on account of this and concluded that he was wroth because it was burnt. When the cook heard this, he said in himself, 'It will do me no hurt if I imprison him and shackle him and bring him what he may work at. If he tell truth, I will let him live, and if he prove a liar, I will slay him.' So he took a pair of stout shackles and clapping them on Selim's legs, imprisoned him within his house and set over him one who should guard him. Then he questioned him of what tools he needed to work withal. Selim set forth to him that which he required, and the cook went out from him and presently returning, brought him all he needed. So Selim sat and wrought

at his craft; and he used every day to earn two dinars; and this was his wont and usance with the cook, whilst the latter fed him not but half his fill..? ? ? ? ? Though over me be the tombstone laid, if ever thou call on me, Though rotten my bone should be, thy voice I'll answer, come what will...When the Khalif heard this, he laughed heartily and said, "By Allah, O my brother, thou art indeed excused in this matter, now that I know the cause and that the cause hath a tail. Nevertheless if it please God, I will not sever myself from thee." "O my guest," replied Aboulhusn, "did I not say to thee, 'Far be it that what is past should recur! For that I will never again foregather with any'?" Then the Khalif rose and Aboulhusn set before him a dish of roast goose and a cake of manchet-bread and sitting down, fell to cutting off morsels and feeding the Khalif therewith. They gave not over eating thus till they were content, when Aboulhusn brought bowl and ewer and potash (16) and they washed their hands..?THE NINTH OFFICER'S STORY..136. The History of Gherib and his Brother Agib dcxxiv.? ? ? ? ? His justice and his truth all creatures do embrace; The erring he corrects and those of wandering mind..164. The Merchant of Oman dccccxvi.Then she walked in the garden till she came to a pavilion, lofty of building and wide of continence, never saw mortal nor heard of a goodlier than it [So she entered] and found herself in a long corridor, which led to a bath goodlier than that whereof it hath been spoken, and the cisterns thereof were full of rose-water mingled with musk. Quoth Tuhfeh, 'Extolled be the perfection of God! Indeed, this (210) is none other than a mighty king.' Then she put off her clothes and washed her body and made her ablution, after the fullest fashion, (211) and prayed that which was due from her of prayer from the evening [of the previous day]. (212) When the sun rose upon the gate of the garden and she saw the wonders thereof, with that which was therein of all manner flowers and streams, and heard the voices of its birds, she marvelled at what she saw of the surpassing goodliness of its ordinance and the beauty of its disposition and sat meditating the affair of Er Reshid and pondering what was come of him after her. Her tears ran down upon her cheek and the zephyr blew on her; so she slept and knew no more till she felt a breath on her cheek, whereupon she awoke in affright and found Queen Kemeriyeh kissing her face, and with her her sisters, who said to her, 'Arise, for the sun hath set.'.The king marvelled at what he saw and questioned him of [how he came by] the knowledge of this. 'O king,' answered the old man, 'this [kind of] jewel is engendered in the belly of a creature called the oyster and its origin is a drop of rain and it is firm to the touch [and groweth not warm, when held in the hand]; so, when [I took the second pearl and felt that] it was warm to the touch, I knew that it harboured some living thing, for that live things thrive not but in heat.' (209) So the king said to the cook, 'Increase his allowance.' And he appointed to him [fresh] allowances..Then she folded the letter and giving it to her slave-girl, bade her carry it to El Abbas and bring back his answer thereto. Accordingly, Shefikeh took the letter and carried it to the prince, after the doorkeeper had sought leave of him to admit her. When she came in to him, she found with him five damsels, as they were moons, clad in [rich] apparel and ornaments; and when he saw her, he said to her, "What is thine occasion, O handmaid of good?" So she put out her hand to him with the letter, after she had kissed it, and he bade one of his slave-girls receive it from her. Then he took it from the girl and breaking it open, read it and apprehended its purport; whereupon "We are God's and to Him we return!" exclaimed he and calling for ink- horn and paper, wrote the following verses:..? ? ? ? ? Yet, I conjure thee, blame me not for passion and desire, Me whom estrangement long hath brought to sick and sorry plight.
