Colman already knew everybody, and while he and Kath were introducing Bernard and Lechat to those they hadn't met previously, Veronica and Celia greeted each other with hugs and a few more tears from Celia. . . . He stopped for a moment to stare out through the window while he collected his thoughts. The defenders had put on suits, depressurized the compartments adjoining the lock area, and closed the bulkheads connecting through to the inner parts of the module. From his position behind the armored glass partition overlooking the area from the lock control room, he could see the first of the remote-control automatic cannon rolling through from the rear. "Hurry up with those RCC's," he shouted into his helmet microphone. "Yellow section take up covering positions. Stanislaw looked up triumphantly at Sirocco. "3.141592653," he announced. "It's pi to ten places." Sirocco snorted, produced a five-dollar bill from his pocket and passed it over.
