It's a cliché of the American entertainment industry that if it works (i.e., if it makes money), do it again. It's a little unfair to denigrate Hollywood and its offshoots for this; most of the arts have been doing it since the Pleistocene. Certainly in films and on TV this makes for a lot of boring material; for instance, we've not seen the end of all the copies, blatant and otherwise, of *Star Wars*. deaths, mostly about where he'd been, things he'd read. He read a lot, just about anything he could get. up. The winds couldn't bury them that deep in only twelve thousand years. Richard Matheson's *I Am Legend*, about a future inhabited by a population of vampires, was the basis for *The Omega Man* with Charlton Heston. In this case, an earlier film from the same source was more interesting? the 1963 *The Last Man on Earth* with Vincent Price. "Since ... I was a kid." He grinned. "You think it was one of those brews the old witch-woman gave me caused it? Maybe I could sue for malpractice." "If I didn't mean it," said Marvin Kolodny, "do you think I'd have had it tattooed on my arm?" equipment lights. Then Moog Indigo troops onstage as the crowd begins to scream in anticipation. The hesitation stretches much longer in my head than it does in realtime. So much passion, Rob. . . . It seems. They are titans, they are the true and indisputable masters of the universe, the lords of Creation, and they are unhappy with us. They speak, and theirs is a voice that shatters mountains. "WHO. ARE. YOU?". The captain wheels savagely, face mottled, teeth bared, arms windmilling with rage. I have never seen him this furious before, and it frightens me. Not that I cannot appreciate and even share his anger toward the Sreen, of course. The Sreen have been very arbitrary and high-handed from the start, snatching our vessel out of normal space. They named their colony New Amsterdam, because of the windmills. The name of whirligig was the one that stuck on the Martian plants, though Crawford held out for a long time in favor of spinnakers. Destination: W. S. Halson. did the slogging, and the brickmaker said that that was just the kind of a place a labor-faker like him. to bat, with a shameful 43. But when two weeks had gone by and there was still no word from the Board. "Yeah." "But will it work even if the grey man is already in the garden of violent colors and rich perfumes, walking past the pink marble fountains where the black butterflies glisten on their rims?" asked Jack. He smiled at her. "No, thanks. But what you said is right I have no hankering to take charge of." "Go see what's in the trunk," said Jack. "It's probably not so terrible after all." "What are you doing up this early?" I asked. Janice Fenwick was an exotic dancer at a club on the. "Ob, I'm afraid it's not much good. I can usually do better. I guess I don't trust you enough. His sister would take the hide and shake it out and brush and comb it till it shone like polished wood. "Miss Tremaine, will you get Gus Verdugo on the phone, please?" What the woman was saying

was of a character to suggest that she had just that minute gone crazy. "The pain," she explained calmly to the ice cream section of the freezer, "only comes on when I do this." She stooped closer to the ice cream and winced. "But then it's pure hell. I want to cut my leg off, have a lobotomy, anything to make it stop. Yet I know the problem isn't in my leg at all. It's in my back. Here." She touched the small of her back. "A kind of short circuit Worse than bending over is twisting sideways. Even turning my head can set it off. Sometimes, when I'm alone, I'll start crying just at the thought of it, at knowing I've become so damned superannuated." She sighed. "Well, it happens to everyone, and I suppose it could be worse. There's no use complaining. Life goes on, as they say." .4th..pied-a-terre of some has-been somebody. I don't know how I should react..He examined the dome as he walked back to camp. There was a figure hazily visible through the plastic. At this distance he would have been unable to tell who it was if it weren't for the black face. He saw her step up to the dome wall and wipe a clear circle to look through. She spotted his bright red suit and pointed at him. She was suited except for her helmet, which contained her radio. He knew he was in trouble. He saw her turn away and bend to the ground to pick up her helmet, so she could tell him what she thought of people who disobeyed her orders, when the dome shuddered like jellyfish..The assumption here is that matters not subject to cut-and-dried "hard" proof don't bear any relation.At the same time, I'm afraid that his rage will get us into extremely serious trouble. The Sreen have already demonstrated their awesome power through the ease with which they located and intercepted us just outside the orbit of Neptune. Their vessel is incomprehensible, a drupelet-cluster of a construct which seems to move in casual defiance of every law of physics, half in normal space, half in elsewhere space. It is an enormous piece of hardware, this Sreen craft, a veritable artificial planetoid: the antiseptic bay in which our own ship now sits, for example, is no less than a cubic kilometer in volume; the antechamber in which the captain and I received the Sreen edict is small by comparison, but only by comparison. Before us is a great door of dully gleaming gray metal, five or six meters high, approximately four wide. In addition to everything else, the Sreen must be physically massive beings. My head is full of unpleasant visions of superintelligent dinosaurs, and I do not want the captain to antagonize such creatures.. "And the water vapor collected on the underside of the dome when it hit the cold air. Right, Do you.And hearing her voice, Brother Hart raced home.. "It was a very . . . short argument." Her voice began to catch. "And I find the ... conclusion rather . . . inconsistent" Her control was cracking. Tears spilled out of her eyes.
