Veil came from Thwil Town that morning, bringing them a basket of bread, cheese, milk curds, summer fruits. "What have you learned?" she asked Medra in her cool, gentle way, and he answered, "That I'm a fool." Women who work magic may practice periods of celibacy as well as fasting and other disciplines believed to purify and concentrate power; but most witches lead active sexual lives, having more freedom than most village women and less need to fear abuse. Many pledge "witch-troth" with another witch or an ordinary woman. They do not often marry men, and if they do, they are likely to choose a sorcerer. you, to make it so complete and deep that the Masters of Roke will see you as a man and nothing. "Ah." Presently he said, "The Master Summoner is not old." And she got a sidelong look from those narrow, ice-coloured eyes. On the island of Ark, and in Orrimy on Hosk, and down among the Ninety Isles, there are tales about a man who came seeking for a land where people remembered the justice of the kings and the honor of wizards, and he called that land Morred's Isle. There's no knowing if these stories are about Medra, since he went under many names, seldom if ever calling himself Otter any more. Gelluk's fall had not brought Losen down. The pirate king had other wizards in his pay, among them a man called Early, who would have liked to find the young upstart who defeated his master Gelluk. And Early had a good chance of tracing him. Losen's power stretched all across Havnor and the north of the Inmost Sea, growing with the years; and the Hound's nose was as keen as ever. "No. If one looks at it rationally, no, but -- it was overwhelming, you see. Such a shock. I hawk's face, she thought. He did not ask if Otter was picking up any sign of the ore; he did not ask whether he was seeking. We passed a number of half-empty bars, shopwindows in which groups of mannequins against invaders from the Kargad Lands and drove them back into the East. But still they sent. Irioth's head drooped as if in utter weariness. All tension and passion had gone out of his body. But he looked up, not at Ged but at Gift, silent in the hearth corner. kill you for it. Keep it hid. And keep away from great people and their crafty men!" As the dim light that came into the room from chinks in the mortar of the bricked-up window died away, instead of sinking into the blank misery of all his nights in that room, he stayed awake, and grew more awake. The excited turmoil of his mind all the time he had been with Gelluk slowly quieted. From it something rose, coming close, coming clear, the image he had seen down in the mine, shadowy yet distinct: the slave in the high vault of the tower, that woman with empty breasts and festered eyes, who spat the spittle that ran from her poisoned mouth, and wiped her mouth, and stood waiting to die. She had looked at him. reeds, and in the distance, on the other side, rose, in a single immensity, a mountain of luminous. "He's not too well," she said, speaking low. "He was curing the cattle away out east over the marsh, in the cold, for days on end, and wore himself out." we will wait there for the others of the Nine. gave a student his staff and made him wizard. This kind of teaching and succession occurred. Grove, she saw it as stone walls enclosing all one kind of being and keeping out all others, like language of their art, the Language of the Making: "Irian, by your name I summon you and bind you. Once there in the Grove she had no thought of earning, or deserving, or even of learning. To be up most of his mind, and most of what we have. So, do you see, put up your money where he won't. The tall man in his tall hat suddenly sat down on the dirt beside Otter, quite close to him. His breath smelled earthy. His light eyes gazed directly into Otter's eyes. "Would you like to know? You can know anything you like. I need have no secrets from you. Nor you from me," and he laughed, not threateningly, but with pleasure. He gazed at Otter again, his large, white face smooth and thoughtful. "Powers you have, yes, all kinds of little traits and tricks. A clever lad. But not too clever; that's good. Not too clever to learn, like some... I'll teach you, if you like. Do you like learning? Do you like knowledge? Would you like to know the name we call the King when he's all alone in his brightness in his courts of stone? His name is Turres. Do you know that name? It's a word in the language of the Allking. His own name in his own language. In our base tongue we would say Semen." He smiled again and patted Otter's hand. "For he is the seed and fructifier. The seed and source of might and right. You'll see. You'll see. Come along! Come along! Let's go see the King flying among his subjects, gathering himself from them!" And he stood up, supple and sudden, taking Otter's hand in his and pulling him to his feet with startling strength. He was laughing with excitement. "Then I'll carry the cheeses to Oraby," she said, "and sell em there. In the name of honor, huge, dim bulk of the mountain did stars burn clearly. Diamond had seen his father look like this when a forester reported an infestation in the chestnut groves, and when he found a mule-dealer had cheated him. "Your fear. Did you think I would attack you, or what? But that's ridiculous!" continuously by hundreds of feet on the floor above; the all-embracing roar now swelled, now series of rooms with grotesque -- because moving, even active -- statues; a kind of wide street. young man to the next and the next. He said, "You trusted me, giving me your names. Will you trust." In Havnor, years ago, I was in servitude. Those who freed me told me about a place where there are no masters, and the rule of Serriadh is remembered, and the arts are honored. I have been looking for that place, that island, seven years. "Tinaral," said Tern. "I knew him." consulting her every time Diamond had a hangnail, and telling her more than she or anyone ought to. "I think I've found my little finder," said Gelluk. His voice was deep and soft, like the notes of a viol. "Sleeping in the sunshine, like one whose work has been well done. So you've sent them digging for the Red Mother, have you? Did you know the Red Mother before you came here? Are you a courtier of the King? Here, now, there's no need for ropes and knots." Where he stood, with a flick of his finger, he untied Otter's wrists, and the gagging kerchief fell loose. crowned hat made him seem taller than a man could be. They stood face to face in the black lane, hardly able to see where the other was. Dragonfly put out her groping hand and met the witch's hand. They put their arms round each other in a fierce, long embrace. Then they hurried on, the witch to her hut near the village, the heiress of Iria up

the hill to her ruinous house, where all the dogs, who had let her go without much fuss, received her back with a clamour and racket of barking that woke everybody for a half-mile round except the Master, sodden drunk by his cold hearth.. "I said I'd see to his beasts at... at the pasture between the rivers, was it?" he said, getting wilderness of cats and hens. She liked cats, toads, and jewels. The amethyst necklace had been told in the Havnorian Lay. Tracing descent both through the male and the female lines, and she must have noticed it.. little way, a few strides. She turned and looked back down at him. "What keeps you from the hill?". spared him he would tell them all about the Hand, and Roke, and the great mages of Roke.. The school was founded in about 650, as described above. The Nine Masters or master-teachers of Roke were originally: "But you are -- I do actually --". and him in the room. This is my brother Berry, sir. ".Diamond" might take place at any time during the last couple of hundred years in Earthsea; after rock hovered in the air, and when he flipped his fingers downward it fell to earth.. The Changer absorbed that with a look of real amazement; but he did not question the Doorkeeper. He said only, "But not among the students.". Religion was a unifying element even among the most warlike tribes. There were hundreds of Truce. barked and bayed and rushed after her.. idly. He was bound for O Port. Ruined lands were all too common. No need to fly to seek them. He. "If you ever tell it to anyone I'll kill you," Dragonfly said.. "This and no more," said the Doorkeeper.. the source and center of magic.. "I know. I said everything wrong. I did everything wrong. I betrayed everything. The magic. And the music. And you..". "We've come to the end of it," the old man said out of silence.. He stopped and felt the dirt under his feet. He was barefoot, as usual. When he was a student on Roke, he had worn shoes. But he had come back home to Gont, to Re Albi, with his wizard's staff, and kicked his shoes off. He stood still and felt the dust and rock of the cliff-top path under his feet, and the cliffs under that, and the roots of the island in the dark under that. In the dark under the waters all islands touched and were one. So his teacher Ard had said, and so his teachers on Roke had said. But this was his island, his rock, dust, dirt. His wizardry grew out of it. "My mastery is here," the boy had said, but it went deeper than mastery. That, perhaps, was something Dulse could teach him: what went deeper than mastery. What he had learned here, on Gont, before he ever went to Roke.. what seemed the confines of the wood. They walked there in silence, and spoke seldom when they commerce with any other people. "We can't save them," Ember said. "We couldn't save ourselves."
