MONDAY EVENING, January 15, Paul Damascus arrived at the hotel in San Francisco with Grace White. He had kept watch over her in Spruce Hills for more than two days, sleeping on the floor in the hall outside her room both nights, remaining close by her side when she was in public. They stayed with friends of hers until Harrison's funeral this morning, then flew south for a reunion of mother and daughter..An alley opened on Junior's left. He stepped out of the crowd, into this narrow service way shaded by tall buildings, and walked even more briskly, still not quite running because he continued to believe that he possessed the unshakable calm and self-control of a highly self improved man..On the high marsh-Dragonfly-A description of Earthsea..I also wanted information on various things that had happened back then, before Ged and Tenar were born. A good deal about Earthsea, about wizards, about Roke Island, about dragons, had begun to puzzle me. In order to understand current events, I needed to do some historical research, to spend some time in the Archives of the Archipelago..The man's voice echoed hollowly in Junior's ears, as if coming from the far end of a tunnel. Or from the terminus of a death-row hallway, on the long walk between the last meal and the execution chamber..The word diarrhea was inadequate to describe this affliction. In spite of the books he'd read to improve his vocabulary, Junior could not think of any word sufficiently descriptive and powerful enough to convey his misery and the hideousness of his ordeal..Later, when the seven of them were gathered at the dinner table, the adults raised glasses of Chardonnay, the children raised tumblers of Pepsi, and Maria gave the toast. "To Bartholomew, the image of his father, who was the kindest man I've ever known. To my Bonita and my Francesca, who brighten every day. To Edom and Jacob, from who ... from whom I've learned so much that has made me think about the fragility of life and made me realize how precious is every day. And to Agnes, my dearest friend, who has given me, oh, so much, including all these words. God bless us, every one."A nurse in surgical greens appeared. "Pull up the sleeves of your scrub nearly to your elbows. Scrub hard. I'll tell you when to stop."Beyond the windows, the winter night sifted sootily down through the twinkling city, as he sat in his living room with a glass of Dry Sack in one hand and the picture of Celestina White in the other..Feroocious pirates, ruthless secret agents, brain-eating aliens from distant galaxies, super criminals hell-bent on ruling the world, bloodthirsty vampires, face-gnawing werewolves, savage Gestapo thugs, mad scientists, satanic cultists, insane carnival freaks, hate-crazed Ku Klux Klansmen, knife-worshipping thrill killers, and emotionless robot soldiers from other planets had slashed, stabbed, burned, shot, gouged, torn, clubbed, crushed, stomped, hanged, bitten, eviscerated, beheaded, poisoned, drowned, radiated, blown up, mangled, mutilated, and tortured uncounted victims in the pulp magazines that Paul had been reading since childhood. Yet not one scene in those hundreds upon hundreds of issues of colorful tales withered a corner of his soul as did a glimpse of Barty's empty sockets. The sight wasn't in the least gory, nor even gruesome. Paul cringed and looked away only because this evidence of the boy's loss too pointedly made him think about the terrible vulnerability of the innocent in the freight-train path of nature, and threatened to tear off the fragile scab on the anguish that he still felt over Perri's death.."It's there even when you read to me now. The sad feeling, I mean. It changes the story, makes it not as good, because I can't pretend I don't hear how sad you are."Junior couldn't leave the dead man in the hall and hope to have any quality time with Celestina..Holding up his misshapen hands, knobby knuckles toward Agnes, Obadiah said, "How do you think they became like this?"Although, to her eyes, the natural world had an ominous cast this morning, she was also aware of its great beauty. She wanted Barty to store up every magnificent vista, every exquisite detail..This surprised him. Of course, Oregon was not the Deep South. It was a progressive state. Nevertheless, he was surprised. Oregon wasn't home to many Negroes, either, a handful compared to those in other states, and yet until now Junior supposed that they had their own cemeteries..Anyway-and curiously-Industrial Woman increasingly looked to him like Scamp. As various abraded and inflamed mucous membranes constantly reminded him, he'd had more than enough of Scamp for a while. At last the day arrived: Friday, January 12..A few gasps and exclamations. A sweet giggle and applause from Angel. The reactions were surprisingly mild..Wally drove slowly, carefully, with all the responsibility that you would expect from an obstetrician, pediatrician, and spanking-new fianc?. The trip home to Pacific Heights took twice as long as it would have taken in clear weather on a night without a pledge of troth..Junior had thought the news was the lab report, which had found no ipecac in his spew. All that had been distraction..This Monday morning in Oregon was bleak, with the swollen, dark bellies of rain clouds swagging low over the cemetery, a dreary send-off for Naomi, even though rain was not yet falling..Suddenly and seriously creeped out, Junior wanted to get away from this nut case. Yet he was frozen by morbid fascination..Even Agnes was briefly unnerved to the extent that she said, "Enough of this. It's not fun anymore."The revolving beacons dwindled, casting off blue-and-red pulses of light that shimmered-swooped through the diffusing fog, as if they were disembodied spirits seeking someone to possess..On the way home, he repeatedly checked the rearview mirror. No vehicle followed him..This was a California live oak, green even in winter, although its leaves were fewer now than they would be in warmer seasons. The elaborate branch structure, reflected around him, was an exquisite and harmonious maze overlaying a mosaic of sunlight green on grass, and something in its patterns suddenly touched him, moved him, seized his imagination. He felt as if he were balanced on the brink of an astonishing insight..The minister's threat had been forgotten, repressed. At the time, only half--heard, merely kinky background to lovemaking, these words had amused Junior, and he'd given no serious thought to their meaning, to the message of retribution contained in them. Now, in this moment of extreme danger, the inflamed boil of repressed memory burst under pressure, and Junior was shocked, stunned, to realize that the minister had put a curse on him!..And so at the age of thirty-one, after more than twenty-eight years of blindness with a few short reprieves, Barty Lampion received the gift of sight from his ten-year-old daughter. 1996 through 2000: Day after day, the work was done in memory of Agnes Lampion, Joey Lampion, Harrison White, Seraphim White, Jacob Isaacson, Simon Magusson, Tom Vanadium, Grace White, and most recently Wally Lipscomb, in memory of all those who had given so much and, though perhaps still alive in other places, were gone from here..Barty grinned mischievously. "One of the places we visited today. Some big kids. They saw this scary movie, said they had to wash their shorts after."Skinny, pasty-faced, chattering sissy," he hissed, still so furious with Neddy that he wanted to jam the pianist's head in the toilet even though he was dead. Jam his head in and stomp on him. Stomp him into the bowl. Flush and flush, stomp and stomp..He stepped to the front door, which was framed by curtained side lights. He drew one of the curtains aside and peered out..Edom and Jacob Isaacson were her older brothers, who lived in two small apartments above the four-car garage at the back of the property..He bolted up from the

sofa, saying too loudly, "Canned hams," but at once he realized this made no sense, none, zip, so he searched desperately for something coherent to say--"Potatoes, corn chips"--which was equally ridiculous. Now Obadiah was staring at him with that concerned alarm you saw on the faces of people watching an epileptic in an uncontrolled fit, so Edom plunged across the living room as though he were falling off a ladder, toward the front door, struggling to explain himself as he went: "We've brought some, there are some, I'll get some, Junior descended the escalator two steps at a time, not content to let it carry him along at its own pace. When he reached the second floor, however, he found that Vanadium's ghost had done what ghosts do best: faded away. Abandoning his search for the perfect tie chain but determined to remain calm, Junior decided to have lunch at the St. Francis Hotel. Alarm contacts gleamed in the header, but the system wasn't currently activated. Celestina turned in her seat to look back at Wally and Angel, who were waving. "I guess I am." The custom-fitted gold-link band of the wristwatch closed with a clasp that, when released, allowed the watch to slip over the hand with ease. Junior knew at once that the clasp had come undone when his arm tangled in the belt of Neddy's raincoat. The corpse had torn loose and tumbled into the Dumpster, taking Junior's watch with it.
