And this ebook is had to read through, sometimes detail with detail, so it could be so ideal for you and your own life. ? ? ? ? n. The Man and his Wilful Wife dccccix.Midst colours, my colour excelleth in light, ii. 258..After he had slain him, he fell into repentance and mourning and chagrin waxed upon him, and none, who questioned him, would he acquaint with the cause thereof, nor, of his love for his wife, did he tell her of this, and whenas she asked him of [the cause of] his grief, he answered her not. When the viziers knew of Abou Temam's death, they rejoiced with an exceeding joy and knew that the king's grief arose from regret for him. As for Ilan Shah, he used, after this, to betake himself by night to the sleeping-chamber of the two boys and spy upon them, so he might hear what they said concerning his wife. As he stood one night privily at the door of their chamber, he saw them spread out the gold before them and play with it and heard one of them say, 'Out on us! What doth this gold profit us? For that we cannot buy aught therewith neither spend it upon ourselves. Nay, but we have sinned against Abou Temam and done him to death unjustly.' And the other answered, 'Had we known that the king would presently kill him, we had not done what we did.'At this Queen Kemeriyeh was moved to exceeding delight and drank off her cup, saying, 'Well done, O queen of hearts!' Moreover, she took off a surcoat of blue

brocade, fringed with red rubies, and a necklace of white jewels, worth an hundred thousand dinars, and gave them to Tuhfeh. Then she passed the cup to her sister Zelzeleh, who had in her hand sweet basil, and she said to Tuhfeh, 'Sing to me on this sweet basil.' 'Hearkening and obedience,' answered she and improvised and sang the following verses: . . . . . The two Pigeons dxcvii. The Eighteenth Night of the Month. Accordingly, Shefikeh went out and repairing to the nurse's house, found her clad in apparel other (100) than that which she had been wont to wear aforesaid. So she saluted her and said to her, "Whence hadst thou this dress, than which there is no goodlier?" "O Shefikeh," answered the nurse, "thou deemest that I have gotten (101) no good save of thy mistress; but, by Allah, had I endeavoured for her destruction, I had done [that which was my right], for that she did with me what thou knowest (102) and bade the eunuch beat me, without offence of me committed; wherefore do thou tell her that he, on whose behalf I bestirred myself with her, hath made me quit of her and her humours, for that he hath clad me in this habit and given me two hundred and fifty dinars and promised me the like thereof every year and charged me serve none of the folk." . . . . . d. The Fourth Voyage of Sindbad the Sailor cclix. When it was the sixth day, the viziers' wrath redoubled, for that they had not compassed their desire of the youth and they feared for themselves from the king; so three of them went in to him and prostrating themselves before him, said to him, "O king, indeed we are loyal counsellors to thy dignity and tenderly solicitous for thee. Verily, thou persistest long in sparing this youth alive and we know not what is thine advantage therein. Every day findeth him yet on life and the talk redoubleth suspicions on thee; so do thou put him to death, that the talk may be made an end of." When the king heard this speech, he said, "By Allah, indeed, ye say sooth and speak rightly!" Then he let bring the young treasurer and said to him, "How long shall I look into thine affair and find no helper for thee and see them all athirst for thy blood?" On the morrow they (199) returned to their place, as of their wont, and betook themselves to eating and drinking and merry-making and sporting till the last of the day, when Sindbad bade them hearken to his relation concerning his sixth voyage, the which (quoth he) is of the most extraordinary of pleasant stories and the most startling [for that which it compriseth] of tribulations and disasters. Then said he, "There was once in a city of Khorassan a family of affluence and distinction, and the townfolk used to envy them for that which God had vouchsafed them. As time went on, their fortune ceased from them and they passed away, till there remained of them but one old woman. When she grew feeble and decrepit, the townfolk succoured her not with aught, but put her forth of the city, saying, 'This old woman shall not harbour with us, for that we do her kindness and she requiteth us with evil.' So she took shelter in a ruined place and strangers used to bestow alms upon her, and on this wise she abode a while of time. . . . . Read then my writ and pity thou the blackness of my fate, Sick, love-distraught, without a friend to whom I may complain. . . . . For whom is thy departure even as a father's loss! To fly or creep, like nestlings, alone, they strive in vain. There was once a sage of the sages, who had three sons and sons' sons, and when they waxed many and their posterity multiplied, there befell dissension between them. So he assembled them and said to them, 'Be ye one hand (219) against other than you and despise (220) not [one another,] lest the folk despise you, and know that the like of you is as the rope which the man cut, when it was single; then he doubled [it] and availed not to cut it; on this wise is division and union. And beware lest ye seek help of others against yourselves (221) or ye will fall into perdition, for by whosoever means ye attain your desire, (222) his word (223) will have precedence of (224) your word. Now I have wealth which I will bury in a certain place, so it may be a store for you, against the time of your need.' The Twenty-Fourth Night of the Month. Bibers el Bunducdari and the Sixteen Officers of Police, El Melik ez Zahir Rukneddin, ii. 117. . . . . Except I be appointed a day [to end my pain], I'll weep until mine eyelids with blood their tears ensue. Presently, the king [of the city] was minded to go forth to his garden, (206) a-pleasuring, and bade the cook forego him thither and appoint in his stead one who should dress meat for the king, so that, when he returned, he might find it ready. So the cook fell a-considering of whom he should appoint and was bewildered concerning his affair. As he was on this wise, the old man came to him and seeing him perplexed how he should do, said to him, 'Tell me what is in thy mind; belike, I may avail to relieve thee.' So he acquainted him with the king's wishes and he said, 'Have no care for this, but leave me one of the serving-men and go thou in peace and surety, for I will suffice thee of this.' So the cook departed with the king, after he had brought the old man what he needed and left him a man of the guards. The folk took compassion on him and gave him to eat and drink and he abode with them awhile. Then he questioned them of the way that led to the kingdom of his uncle Belehwan, but told them not that he was his uncle. So they taught him the way and he ceased not to go barefoot, till he drew near his uncle's capital, and he naked and hungry, and indeed his body was wasted and his colour changed. He sat down at the gate of the city, and presently up came a company of King Belehwan's chief officers, who were out a-hunting and wished to water their horses. So they lighted down to rest and the youth accosted them, saying, 'I will ask you of somewhat, wherewith do ye acquaint me.' Quoth they, 'Ask what thou wilt.' And he said, 'Is King Belehwan well?' They laughed at him and answered, 'What a fool art thou, O youth! Thou art a stranger and a beggar, and what concern hast thou with the king's health?' Quoth he, 'Indeed, he is my uncle;' wherewith they marvelled and said, 'It was one question (135) and now it is become two.' Then said they to him, 'O youth, it is as thou wert mad. Whence pretendest thou to kinship with the king? Indeed, we know not that he hath aught of kinsfolk, except a brother's son, who was prisoned with him, and he despatched him to wage war upon the infidels, so that they slew him.' 'I am he,' answered Melik Shah, 'and they slew me not, but there betided me this and that.' Then Khelbes used to attend the learned man's assembly, whilst the other would go in to his wife and abide with her, on such wise as he thought good, till the learned man arose from his session; and when Khelbes saw that he purposed rising, he would speak a word for the lover to hear, whereupon he went forth from Khelbes's wife, and the latter knew not that calamity was in his own house. At last the learned man, seeing Khelbes do on this wise every day, began to misdoubt of him, more by token of that which he knew of his character, and suspicion grew upon him; so, one day, he advanced the time of his rising before the wonted hour and hastening up to Khelbes, laid hold of him and said to him, 'By Allah, an thou speak a single syllable, I will do thee a mischief!' Then he went in to his wife, with Khelbes in his grasp, and behold, she was sitting, as of her wont, nor was there about her aught of suspicious or unseemly. Full many a man incited me to infidelity, i. 205. One day as she sang before the Commander of the Faithful, he was moved to exceeding delight, so that he took her and offered to kiss her hand; but she drew it away from him and smote upon her lute and broke it and wept. Er Reshid wiped away her tears and said, 'O desire of the heart, what is it maketh thee weep? May God not cause an eye of thine to weep!' 'O my lord,' answered she, 'what am I that thou shouldst kiss my hand? Wilt thou have God punish me for this and that my term should come to an end and my felicity pass away? For this is what none ever attained unto.' Quoth he, 'Well said, O Tuhfeh. Know that thy rank in my esteem is mighty and for that which wondered me of what I saw of thee, I offered to do this, but I will not return unto the like thereof; so be of good heart and cheerful eye,

for I have no desire for other than thyself and will not die but in the love of thee, and thou to me art queen and mistress, to the exclusion of all humankind.' Therewith she fell to kissing his feet; and this her fashion pleased him, so that his love for her redoubled and he became unable to brook an hour's severance from her..Relief of God, Of the Speedy, i. 174..? ? ? ? ? My outward of my inward testifies And this bears witness that that tells aright. (39).So they dragged him away, what while he wept and spoke the words which whoso saith shall nowise be confounded, to wit, "There is no power and no virtue save in God the Most High, the Sublime!" When they came to the Tigris, one of them drew the sword upon him and El Muradi said to the swordbearer, "Smite off his head." But one of them, Ahmed by name, said, "O folk, deal gently with this poor wretch and slay him not unjustly and wickedly, for I stand in fear of God the Most High, lest He burn me with his fire." Quoth El Muradi, "A truce to this talk!" And Ahmed said, "If ye do with him aught, I will acquaint the Commander of the Faithful." "How, then, shall we do with him?" asked they; and he answered, "Let us deposit him in prison and I will be answerable to you for his provision; so shall we be quit of his blood, for indeed he is wrongfully used." So they took him up and casting him into the Prison of Blood, (13)went away..To return to the king's daughter of whom the prince went in quest and on whose account he was slain. She had been used to look out from the top of her palace and gaze on the youth and on his beauty and grace; so she said to her slave-girl one day, 'Harkye! What is come of the troops that were encamped beside my palace?' Quoth the maid, 'They were the troops of the youth, the king's son of the Persians, who came to demand thee in marriage, and wearied himself on thine account, but thou hadst no compassion on him.' 'Out on thee!' cried the princess. 'Why didst thou not tell me?' And the damsel answered, 'I feared thy wrath.' Then she sought an audience of the king her father and said to him, 'By Allah, I will go in quest of him, even as he came in quest of me; else should I not do him justice.'
