When his ears stopped ringing he stole after her, hoping the charm was working and that this was only her particularly uncouth way of leading him at last to her bed. Nearing the house, he heard crockery breaking. The father, the drunkard, came wobbling out looking scared and confused, followed by Dragonfly's loud, harsh voice - "Out of the house, you drunken, crawling traitor! You foul, shameless lecher!". "But," said Dragonfly and stopped, caught by the argument. After a while she said, "So a name has to be a gift?".Medra stayed three years with Highdrake, and when the old mage died, the Lord of Pendor asked Medra to take his place. Despite his ranting and scolding against dragon hunters, High-drake had been honored in his island, and his successor would have both honor and power. Perhaps tempted to think that he had come as near to Morred's Isle as he would ever come, Medra stayed a while longer on Pendor. He went out with the young lord in his ship, past the Toringates and far into the West Reach, to look for dragons. There was a great longing in his heart to see a dragon. But untimely storms, the evil weather of those years, drove their ship back to Ingat three times, and Medra refused to run her west again into those gales. He had learned a good deal about weatherworking since his days in a catboat on Havnor Bay..Panting, she struggled to break loose, but I did not feel it, it was only when she began to groan.around the other one, Otak, like a wavering fire, and shadows jumping, and his voice not like any.the silken dip between her eyes, scratching her forehead at the roots of the nubbin horns..flew by in strips of flame and color; parabolic arches, white platforms.
