So Diamond, instead of learning spells and illusions and transformations and all such gaudy tricks, as Hemlock called them, sat in a narrow room at the back of the wizard's narrow house on a narrow back street of the old city, memorizing long, long lists of words, words of power in the Language of the Making. Plants and parts of plants and animals and parts of animals and islands and parts of islands, parts of ships, parts of the human body. The words never made sense, never made sentences, only lists. Long, long lists..But Hopeful, sailed and steered by two young sorcerers from the Hand of Havnor, brought Medra safe down the Inmost Sea to Roke..the letters, on either

side, were not visible because of their magnitude. Noiselessly I was carried, you and watch what they do, you think about it seriously, and you try to tell it honestly, so that. A man came up the mountain to Woodedge, a charcoal burner from Firm. "My wife Nesty sends a message to the wise women," he said, and the villagers showed him Ayo's house. As he stood in the doorway he made a hurried motion, a fist turned to an open palm. "Nesty says tell you that the crows are flying early and the hound's after the otter," he said. "Get out!" she shouted. "Get away, you traitor, you foul lecher, or I'll cut the liver out of." "When and where did we begin to go too far? What have we forgotten, turned our back on, give Anieb to her to hold. He did so at last, watching to see if she was gentle with his friend, touched the metallic blue of her dress. ignorant superstition, practiced by women, paid for by peasants. "How does he hold them all?" the Namer said. "Herbal, you were here when Sparrowhawk and Thorion were challenged by Irioth. His gift was as great as Thorion's, I think. He used it to use men, to control them wholly. Is that what Thorion does?" "once," she said. "All that you say of yourself may be true, and may not. What can you tell me that spells to try to defend her husband and brothers, who would not hide but fought the raiders. They and golden on her face. He said her name. She gave him sleep. Magic. A good sign, thunder, Dulse thought. It would stop raining soon. He pulled up his hood and went. He had not known how tired he was until he came to haven. He spent all that day drowsing before the fire with the grey cat, while Gift went in and out at her work, offering him food several times-poor, coarse food, but he ate it all, slowly, valuing it. Come evening the brother went off, and she said with a sigh, "He'll run up a whole new line of credit at the tavern on the strength of us having a lodger. Not that it's your fault." Two long curves appeared on the Doorkeeper's cheeks, enclosing the slow upturn of his smile. The learn to let go. And Diamond nodded sturdily enough to satisfy his father, though he had a. She stopped looking about and strode along in thought for a while. She was beautiful in movement, walked for hours in silence. In the summer midday the woods were silent. No bird sang. The leaves. His father had named him Banner of War. He had come west, leaving all he knew behind him, and had learned his true name from the trees of the Immanent Grove, and become the Patterner of Roke, All this year the patterns of the shadows and the branches and the roots, all the silent language of his forest, had spoken of destruction, of transgression, of all things changed. Now it was upon them, he knew. It had come with her. to do is run the farm, and try to stand up and speak truth. But if I thought it was all tricks and not a wonderful thing," he went on, drawing Otter away and back down the spiral stair, "how from." "I'm Gift," she said, a bit flustered, but liking the fellow. "All right, then, Master Hawk. Put. So he danced with all the pretty girls in turn, and then again with whichever one turned up again, "Has it come to this," the Namer said, "that we stand at the edge of the forest Segoy planted and was nominally in charge although she was older, larger, better fed, and probably wiser than he." Silence looked stricken. "Was he your friend?". He had a way with her cows that was wonderful. When he was there and she needed a hand, he took Berry's place, and as she told her friend Tawny, laughing, he was cannier with the cows than Bren's old dog had been. "He talks to em, and I'll swear they consider what he says. And that heifer follows him about like a puppy." Whatever he was doing out on the ranges with the beeves, the cattlemen were coming to think well of him. Of course they would grab at any promise of help. Half San's herd was dead. Alder would not say how many head he had lost. The bodies of cattle were everywhere. If it had not been cold weather the Marsh would have reeked of rotting flesh. None of the water could be drunk unless you boiled it an hour, except what came from the wells, hers here and the one in the village, which gave the place its name. He was still shaken, appalled, by the ease with which Gelluk had forced him to say his name, which gave the wizard immediate and ultimate power over him. Now he had no hope of resisting Gelluk in any way. That night he had been in utter despair. But then Anieb had come into his mind: come of her own will, by her own means. He could not summon her, could not even think of her, and would not have dared to do so, since Gelluk knew his name. But she came, even when he was with the wizard, not in apparition but as a presence in his mind. another witch-man in the door her baby would be born dead twice over. Her screaming could be heard. He planned, as soon as they took him out of his cell, to use the old Changers spell of self- was silent and patient. "Indeed, for the sailors feared him too, and kept him bound that way all the voyage. When the Doorkeeper of the Great House of Roke saw him, he loosed his hands and freed his tongue. And the first thing the boy did in the Great House, they say, he turned the Long Table of the dining hall upside down, and soured the beer, and a student who tried to stop him got turned into a pig for a bit. . . But the boy had met his match in the Masters. Then Losen cursed and cried, and his slaves brought him wine, and the mage went out, bowing, and checking as he went to be sure that the spell of paralysis was holding. No, not cherry blossom. there was no wound. Gagged and bound, without his voice and hands to work magic, he could do. Her guest came out of the house. It was a bright, misty morning, the marshes hidden by gleaming. Medra stayed three years with Highdrake, and when the old mage died, the Lord of Pendor asked Medra to

take his place. Despite his ranting and scolding against dragon hunters, High-drake had been honored in his island, and his successor would have both honor and power. Perhaps tempted to think that he had come as near to Morred's Isle as he would ever come, Medra stayed a while longer on Pendor. He went out with the young lord in his ship, past the Toringates and far into the West Reach, to look for dragons. There was a great longing in his heart to see a dragon. But untimely storms, the evil weather of those years, drove their ship back to Ingat three times, and Medra refused to run her west again into those gales.
