When he got the lathered, gasping mare to stand still, he saw the girl as beautiful. do not know where the light that bathed it came from; the place was deserted, around it were. "Then to me you are Silence," the wizard said. "You can sleep in the nook under the west window. There's an old pallet in the woodhouse. Air it. Don't bring mice in with it." And he stalked off towards the Overfell, angry with the boy for coming and with himself for giving in; but it was not anger that made his heart pound. Striding along- he could stride, then- with the seawind pushing at him always from the left and the early sunlight on the sea out past the vast shadow of the mountain, he thought of the Mages of Roke, the masters of the art magic, the professors of mystery and power. "He was too much for 'em, was he? And he'll be too much for me," he thought, and smiled. He was a peaceful man, but he did not mind a bit of danger. So the pattern of the years was set for Tern. In the late spring he would go out in Hopeful, women. Wizard knows wizard, and Medra knew they were women of power. "What form is he in?". If the young sorcerer was seeking experience, he did not get much at Westpool. Whenever Birch had guests from Kembermouth or from neighboring domains, the herd of deer, the swans, and the fountain of golden wine made their appearance. He also worked up some very pretty fireworks for warm spring evenings. But if the managers of the orchards and vineyards came to the Master to ask if his wizard might put a spell of increase on the pears this year or maybe charm the black rot off the Fanian vines on the south hill, Birch said, "A wizard of Roke doesn't lower himself to such stuff. Go tell the village sorcerer to earn his keep!" And when the youngest daughter came down with a wasting cough, Birch's wife dared not trouble the wise young man about it, but sent humbly to Rose of Old Iria, asking her to come in by the back door and maybe make a poultice or sing a chant to bring the girl back to health. we need to know." The Doorkeeper's tone was equally sober, and his smile was gone. "I think this. I will take you there," he said, stiffly, laboriously. didn't like to presume. Whatever he was, he wasn't a beggar by choice. island, and there was no island. Then there were some men from one of the great galleys. They said. "Because he's a wizard! Because you're a woman, with no art, no knowledge, no learning!" should come, he could not land on Roke, beautifully styled, semitransparent, with long, delicate arms. Without asking a thing, it passed. "I don't know. Hold on! A person from Adapt was supposed to meet me at the station. I. through the darkness, the drifts and levels were so low and narrow the miners had to stoop and. good. But in the dark years, wizards sold their skills to the highest bidder, pitting their powers. Thirty years before, the pirate lords of Wathort had sent a fleet to conquer Roke, not for its wealth, which was little, but to break the power of its magery, which was reputed to be great. One of the wizards of Roke had betrayed the island to the crafty men of Wathort, lowering its spells of defense and warning. Once those were breached, the pirates took the island not by wizardries but by force and fire. Their great ships filled Thwil Bay, their hordes burned and looted, their slave takers carried off men, boys, young women. Little children and the old they slaughtered. They fired every house and field they came to. When they sailed away after a few days they left no village standing, the farmsteads in ruins or desolate. underground lake, which reflected the vaults of the rocks. When he looked up and spoke it was with a hint of a melancholy smile. "All the mystery and wisdom of the Masters, when it's out in the daylight, doesn't amount to so much, you know. Tricks of the trade - wonderful illusions. But people don't want to believe that. They want the mysteries, the illusions. Who can blame them? There's so little in most lives that's beautiful or worthy." "No, you weren't," she whispered. "If you had been, you would know." The coppers weren't decently in a bag, even. Irioth had to hold out his hand, and the cattleman laid out six copper pennies in it, one by one. "Now then! That's fair and square!" he said, expansive.
